

Lift Insight & Capital Partners helps Family Businesses!

Lift supports privately held and family businesses with Growth, Leadership & Transition. As executives who have worked in multiple industries and a variety of domestic and international economic environments, we have assisted businesses in navigating through their challenges and opportunities. We offer our experience and connections to help lift your business to the next level.

As a Family Business, you have a unique dynamic we can assist with:

Coaching
Building an Effective Board of Advisors
Assess Family Members' Fit with Business
Compensation Issues
Family Work Life Dynamics
Family Dynamics for Members in the Business vs Outside the Business
Communication & Governance Best Practices

Transitions
Next Generation Leadership Development
Funding For Growth
Funding the Generational Handoff
Strategic Alternatives
Positioning the Business for Sale

Our Ideal Partners

Family businesses who seek:

- Resources and guidance to fuel growth.

Who we are:

- Qualified executive advisors who have expertise in family business dynamics, sales, marketing, finance, sourcing, distribution and more.

What we do:

- Support growth, while allowing the family to continue running and controlling their company.

"With our insights and capital, we empower your business to thrive and grow while you stay in control."
